FACILITY INFORMATION

Northwood Executive Campus is adjacent to several large shopping centers and is easily accessible to a favorable labor market in the Greater Norristown area. A SEPTA bus stop with shelter, connects with the suburban Philadelphia transportation system and high speed rail system which is accessible at the entrance of the Campus.

Full development approvals have been obtained for the Northwood Executive Campus with a signalized intersection at the boulevard entrance and Germantown Pike. Constructed with the Campus is Brightview Independent and Assisted Living facility, one of the newest active retirement communities in the region, a freestanding First Niagara Bank, a freestanding PNC Bank, a freestanding Patient First facility, as well as two more medical users, Plymouth Meeting Family Dental, and Good Shepherd Penn Partners Physical Therapy. Current uses being considered and negotiated for the balance of the Campus include a possible freestanding restaurant or retail pad, and several mid-size office buildings.

Immediately across the street is the Bentwood Executive Campus, where the final phase of a 500,000 SF office / business complex is currently developed with 100,000 SF corporate Class A office building, a four story Hyatt Summerfield Suites Hotel, which is an upscale extended stay facility consisting of 131 +/- suites with meeting rooms and an exercise facility, and a 261 unit luxury multi-family building, The Residences at Bentwood. KinderCare day care is also available to serve both Campus' needs.

The Northwood Executive Campus has all its permits and entitlements in place with all infrastructure completed.
